Dear Community Partner,

Cancer doesn't just affect individuals—it touches entire families, including children and teens who are often navigating the emotional weight of a diagnosis in someone they love. At Cancer Bridges, we believe that no one should face cancer alone, especially our youngest community members. That's why we're committed to providing free programs that offer emotional support, connection, and joy to families impacted by cancer.

This summer, we are excited to launch a brand-new event: Summer Send-Off, a family-friendly carnival-style celebration taking place on Friday, August 15, 2025. Featuring games, crafts, food, and activities for all ages, Summer Send-Off is more than just a fun evening out - it's a fundraiser that directly supports Cancer Bridges' free services, including our comprehensive Family & Youth programming, which helps children and teens cope with the complex emotions that come with a cancer diagnosis in their lives.

We invite you to partner with us as a sponsor for this special event. Your support will help us bring families together in joy while funding vital services like support groups and social activities for kids and teens, family workshops, and school-based outreach. Sponsorship also offers an opportunity to highlight your business's commitment to community well-being and compassion, values that deeply resonate with today's socially conscious consumers.

Included, you'll find details about sponsorship levels and benefits for Summer Send-Off. We're happy to discuss how your involvement can align with your brand values and community impact goals.

Thank you for considering this opportunity to make a meaningful difference. With your partnership, we can send summer off with joy, hope, and support for the families who need it most.

Warm regards,

*Stephanie Ciranni*
